Learn more about our story and products.

Turrific™ Turmeric Enhanced Foods are boosted with an advanced form of turmeric. This popular superfood that has been extensively studied and recognized for its anti-inflammatory, antioxidant, immunomodulatory, and healing abilities. — **Only available here!**

The active compound in turmeric, which is part of the ginger family, is curcumin, which has been used for thousands of years by people around the world and has, today, become one of the most popular dietary supplements available.

The version of turmeric in Turrific™ Foods is called TurmiZn-OS, a novel patent-pending complex made of turmeric curcumin and zinc through a proprietary blending process which enhances absorption and stability, to make it significantly more **bioavailable**.

This version of turmeric is flavorless, texture-free, and allergen-free! Share the proven, wide-ranging health benefits of turmeric—employee-tested for taste and texture—with your family: **Give your body a boost with Turrific™ foods!**
